

**BDS Orientation Programme and White Coat ceremony
&
Cervical Cancer Awareness drive**

25th September 2023

Orientation Programme and White Coat ceremony to welcome 21st Batch of "Bachelor of Dental Surgery" (Session 2023-24) on 25th September 2023.

During the event valuable information about the College, various Departments, faculty members and the course were provided to the new batch. Students were enlightened about various extracurricular activities available in the college campus. They were also familiarized with the Mentorship system of the college. White Coat Ceremony was also conducted for the freshers and were made aware of the duties and responsibilities of a health care provider.

The "Charak Shapath" in which all the First year students entering the Nobel profession took the Oath of serving humanity & mankind.

Along with this a Cervical Cancer Awareness drive was organized by Cervical Cancer Elimination Team in association with the Rotary club of Faridabad Aastha and Sudha Rustagi College of Dental Sciences & Research, Faridabad. The guest speaker of the day was Rotarian Vandana Bhalla, Assistant Governor and District Chairperson of Cervical Cancer Elimination Team. The event aimed at spreading awareness amongst students and staff members regarding the elimination of Cervical Cancer with the help of vaccination. The event showed participation in large numbers by undergraduate, post graduate students, interns and staff members.
