

"SRCDSR Marks National Oral Pathology Day with Academic Fervor and Creative Ingenuity"

The Department of Oral and Maxillofacial Pathology & Microbiology at Sudha Rustagi College of Dental Sciences & Research (SRCDSR) observed the commemoration of National Oral Pathology Day on February 27, 2024. The event, meticulously orchestrated by Dr. Shweta Rehani, Professor and Head of Department, alongside the dedicated participation of staff members and postgraduates, focused on the pivotal theme of oral cancer. A series of intellectually stimulating events were curated in alignment with the central theme, encompassing 3D-Model making, Poster making, Face painting, Dental quiz, and Dental Pictionary. The collective efforts of students and faculty resonated with a palpable enthusiasm, underscoring their commitment to the significance of the occasion. The programme was attended by honourable Chairman Shri Dharamvir Gupta, Mr. Deepak Gupta (Secretary) Principal Dr C M Marya, CEO Dr Vishal Juneja and various Heads of the respective Departments. National Oral Pathology Day was an exemplary confluence of academic pursuit and spirited celebration within the academic enclave of SRCDSR.
