

Implant Bed Preparation-Preservation and Augmentation- Report

Implantology is an ever-evolving field of dentistry. Keeping pace with its advancements is a continuous learning process involving grasping of new concepts while unlearning the old. Keeping this in mind the Department of Periodontics, Sudha Rustagi College of Dental Science and Research organised a lecture on 'Implant Bed Preparation-Preservation and Augmentation' on 3rd Feb 2023.

The program was conducted under the guidance of its patrons Mr. DV Gupta (Chairman), Mr. Deepak Gupta (Secretary), Dr. CM Marya (Principal) and Dr. Vishal Juneja (CEO). Under the precedence of Dr. C.S Baiju (Professor and Head) and the whole Periodontology department (Dr. Meenu Taneja Bhasin, Dr Sunny Mavi, Dr Karuna Joshi, Dr. Anjusha and postgraduate students) the lecture session was planned and executed. It was attended by various Head of the departments, faculty members and post graduates from colleges across Delhi NCR with great enthusiasm.

To enlighten the gathering with newer concepts of implantology an eminent guest speaker Dr Navneet Arora was invited for the event. Dr Arora is a practicing periodontist and implantologist at Auburn California USA and has more than 15years of experience in the field. His riveting lectures were conducted in two sessions, while, a free exchange of knowledge could be seen in the Q&A session with the audience. By the end of the program the students and faculty members had gained a lot of new information regarding the topic concerned.
